

Protocol Update

The following changes will begin on August 9th, 2021:

- In accordance with Jackson County and LSCC Protocol, all individuals, regardless of vaccination status, ages 2 and above are required to wear a mask indoors.
- Mask usage outdoors will not be required.
- Sign-up Genius for worship will be discontinued.
- Ropes will be removed from the center sections of the sanctuary. Ropes will be maintained on the wings to allow for continued masking and distancing for people (unvaccinated or vaccinated) who for a variety of reasons might still be uncomfortable with not distancing/no masks.
- Soloists and small groups (The Journey Band & Choir ensembles) can sing, but congregational singing is on hold.
- Elders/Deacons will still minister to homebound individuals via cards and phone calls. We will explore the possibility of new Elder/Deacon responsibilities to include some form of Worship assistance to begin in the Fall.
- Lay Lector participation in Worship to begin in July.
- Air Purifiers have been purchased for indoor spaces without window ventilation.
- Companions, Generations, Looking Forward and G.I.F.T classes will meet in person at 10:00am. Children's Faith Formation will also meet at 10:00am.
