Instructions for Creating a Stepping Stones Account

A couple things to note before getting started:
- **Please be sure to use the email address you listed on your child's enrollment form** when creating your account as that is the email address that will be tied to your child's Stepping Stones record, contact Jillian Burke if you need to don't remember which email address you listed.

Ignore the "Donations/Giving" tab at the top of the church's website and the donate button on the bottom of the site, if you create a login through either of these it will connect to the church giving, not Stepping Stones, and will be deleted because it will not give you the appropriate access.

Instructions for Creating Account with Stepping Stones Engage Billing

1) Go to https://lschristian.com/stepping-stones/ (make sure you're on the Stepping Stones page of the website, NOT the homepage!)

2) Once you're on the Stepping Stones page, scroll halfway down and click the blue "Engage Billing" button (looks like this) ----------> 
3) Create a username and password, if you'll be using a different email address than what you put on your child's enrollment form, please let Jillian (jburke@lschristian.org) know **BEFORE** you create your login.
